About Us

When it comes to packaging FMCG products like toothpaste, face wash, medicinal drugs, ointments or painting products like watercolor, adhesives, etc., you can totally rely upon on Plastic, Laminated and Aluminum Packaging Tubes. Nothing serves better than tubes when it comes to packaging aforesaid products because they are easy fill and empty, simple to use, hygienic to pack and effortless to close the cap after using. Meta Tubex Pvt. Ltd. is one such renowned company that is engaged in the field of making and marketing a wide variety of Packaging Tubes that effectively aids pharmaceutical, cosmetic and various other manufacturers to pack, store and supply their goods in the most perfect way.

With the increasing demand of the pharmaceutical, personal care, cosmetics, adhesives, stationary and many such products, the need of packaging tubes as a primary and easy to use packaging material is on a rise. Our Indore based company holds several years of experience in meeting this rising demand. Meta Tubex Pvt. Ltd., has seized this growing opportunity and commenced manufacturing and supplying a wide range of packaging tubes that not only caters to pharmaceutical sector but also to the FMCG sector. In order to bring forth different material and design of tubes, we have developed a manufacturing unit at an Industrial area in Indore. From this location, we meet demands pertaining to Laminated Tubes, Plastic Tubes and many more products.
